

Schedule for next week: no in-person class

Project 1 check ins: Monday 2:30-5pm, Tuesday 12:30-2pm

10 min zoom meeting w/ me scheduled on Canvas calendar;
pick a time with your partner to sign up and I'll send a Zoom
invite. Be prepared to answer:

- (1) Have you installed all packages needed and acquired the data you need to finish the project?
- (2) What is the overarching goal of your project? What is your plan to finish?
- (3) Are there any roadblocks that you currently need help with?

Thursday: 100% project work time with your partner, but no
in-class lectures

Schedule for week of Sept 25

Tuesday: lecture for whole class (nuclear processes)

Thursday: back to normal 1/2 lecture, 1/2 project

Lecture plan moving forward
